

# How do I find my textbook through RedShelf?

If your e-textbook is delivered through RedShelf, you will be able to access it through a link in I-Learn. Textbooks delivered through RedShelf are accessible the first day of the semester and your student financial account will be charged automatically after the Add-Drop Deadline. See below for instructions if you choose to opt out of the RedShelf textbook option.

Here are the relevant articles that will help you find your textbook through RedShelf within I-Learn:
